

Each week, H.O.P.E. of Winston-Salem assembles and distributes 1,000+ lunches to food-insecure children and hundreds of bags of fresh produce to their families. This takes a great deal of supplies, both to pack the lunches and to deliver them to those in need throughout Winston-Salem. Please consider coordinating a collection of the items listed below, or pickup a few things to donate to us the next time you go shopping.
